... To Our Customers and Friends ...

- Three generations of growing Nursery Stock gives 59 years of experience behind Boyd Nursery Co. and it tells you, they know how to ship the best—
- Our aim is to satisfy our customers with the highest quality Nursery stock that can be grown, at Reasonable Prices—
- Our business was founded upon Honesty, Service and Quality—
- We do not have any order takers other than our Catalogue, hence the customers get benefit of order taker's profit.

TERMS

All orders should be accompanied by money order or cash. Prices listed in this catalogue are quoted F.O.B. McMinnville, Tenn., ready for shipment. Postage is to be paid by Customer and we suggest about 15% above catalogue price should be included in order for postage, all extra money will be returned to customer. We suggest Parcel Post and Express for small shipments and freight for the large orders.

PLANTING TIME

We start our shipping season as soon as our plants become dormant so that we can move them safely. During previous years our shipping season usually starts in October and lasts until Middle of April.

FOR THE NORTH. Fall season, October and November. Spring season, March and April.

FOR THE SOUTH. Customers in the South can usually plant from October until the close of shipping in April, except when ground is frozen.

Special Notice!

In order to give our customers better service, we ask that you please order by

CATALOGUE NUMBER

This will help our office force a lot and give you better service. Thanks.

Hand this catalogue to your friends when you are through with it. Your friends will appreciate your lending it to them and we will thank you, too.

NOTES ABOUT SHIPMENTS

Please write or print your name and address plainly. If name of express or freight office is different from your home address, then write it on your order. Give shipping instructions, otherwise we shall ship according to our best judgment. We assume no responsibility after delivery to Transportation Company.

CLAIMS. To receive consideration, claims must be made within ten (10) days after receipt of goods.

GUARANTEED

No one can guarantee that trees, animals, or any other living thing will live. Not even a human being can be guaranteed to live. We do guarantee: That we will ship healthy plants to arrive in good, live condition. We will replace otherwise.

CLAIMS

Claims, to receive consideration, must be made within ten (10) days after receipt of goods.

WE DO NOT EMPLOY AGENTS

This is to warn our friends and customers against placing orders with any one that claims to represent us. We have had complaints of this nature in the past. Our business is strictly a mail order business and we want all customers to send orders direct to Boyd Nursery Co. by mail.

Boyd's Fruit Trees

"The NEW ALMEDA"

Boyd's New Sensational Apple Discovery

This startling new apple was discovered growing near Hendersonville, Tennessee, by Mr. J. W. Savely, Orchardist and Horticulturist. Mr. Savely started experimenting with the Almeda, and now has a most beautiful bunch of trees growing in his orchard.

Having known of the Boyd's for a long time and knew that they like to give their customers the best of everything Mr. Savely called on us to introduce and market the new apple for him.

The Nashville Tennessean, newspaper, and the Tennessee Market Bulletin, the official publication of the Tennessee Department of Agriculture, gave a nice write-up in the June 15, 1946, issue. The State Horticulturists of this state have been watching this apple for the past few years and they think very highly of it. Mr. Savely thinks it is the best apple ever introduced in the South and predicts that it will be one of the leading apples in the United States within a few years.

(U. S. Patent No. 327)

*Notice how large
the New Almeda
Apples are*

"Great Opportunities —High Prices for Fruit"

- The very best opportunity the Farmers and Orchardists have ever had for their fruit is now. The prices are getting higher for this product as each day passes and they probably will get even higher due to insufficient food supply to feed the world.
- "Destruction of Orchards in the European war-torn countries and the lack of orchard plantings in the United States has caused an alarming shortage in the supply of fruits."
- Now is the time to plant your family orchard. Don't let the future generation suffer for fruits.

This being the second year that we have shipped it and it broke all records for the first season of sales of any new apple that the Boyd Nursery Co. has ever handled.

100 THE NEW ALMEDA

A large, smooth yellow apple that starts bearing about the middle of July. From the nice, luscious taste it seems that the apple might be a cross between the Yellow Horse and Transparent. Mr. Savely's customers near Nashville call it the best cooking apple known. It has never missed a crop since its amazing discovery some ten or fifteen years ago. One of the most prolific bearing trees known.

PRICES FOR NEW ALMEDA

	Each	Per 10	Per 100
18-24 inch whips-----	\$1.00	\$ 7.50	\$ 60.00
2- 3 feet whips-----	1.25	10.00	85.00
3- 4 feet whips-----	1.50	12.50	100.00
4- 5 feet whips-----	1.75	15.00	125.00
5- 6 feet branched--	2.00	17.50	
6- 7 feet branched--	2.50	22.50	

Other outstanding qualities of this great apple are:

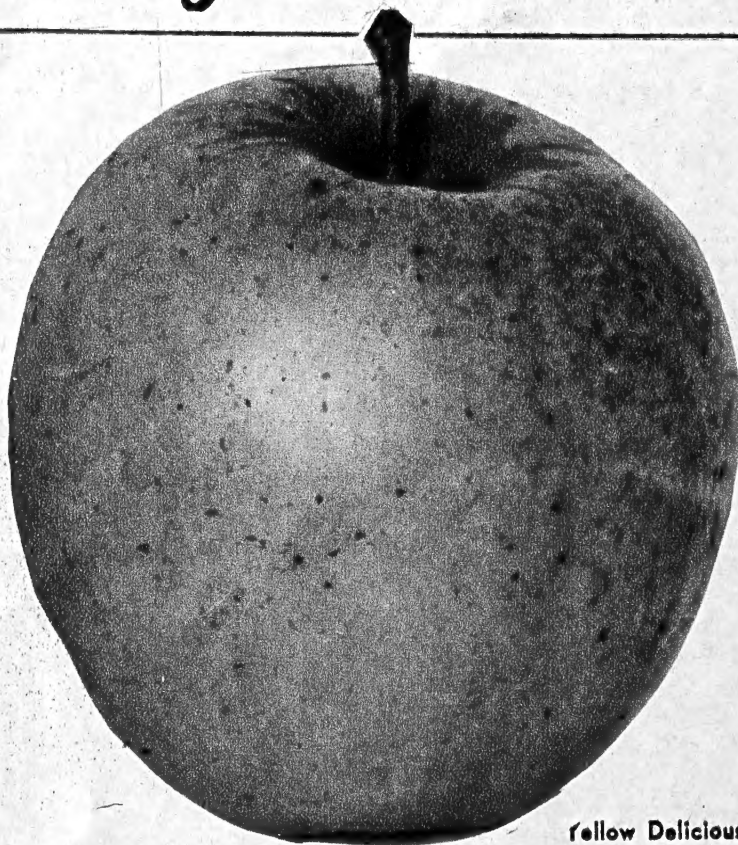

- It has been known to start bearing at two years of age.
- The tree usually has so many apples on them they have to be thinned.
- It is a disease resister.
- A wonderful keeper.
- It is self fertile.

The New Almeda apple took first prize at the Fruit Growers' meeting in Jackson, Tennessee, in 1937, for the best new apple introduced since 1920.

Boyd's

"By Their Fruit You Shall Know Them"

APPLE TREES

Yellow Delicious

SUMMER APPLES

101 ANOKA

The Old Folks' Apple! The quickest apple known to come into bearing. Large fruit, dark red and good flavor. Fresh apple pie in two years after planting.

102 YELLOW TRANSPARENT

The favorite yellow summer apple. Excellent for eating and cooking. Trees hardy, bears when very young.

FALL APPLES

103 RED JONATHAN

Rich, red all over long before ripe. Bears very young and heavily. Keeps all winter in storage. A quick seller and a wonderful shipper.

104 RED NORTHERN SPY

Solid bright red without stripes or splashes. Flesh white, tender, mild, sub-acid. Reliable bearer.

WINTER APPLES

105 DOUBLE RED DELICIOUS

The new, superior Delicious. Fruit extra large, bright red all over; flesh white and fine grained, rich, melting and juicy. Of the very highest quality. Tree young bearer, sometimes three years.

106 YELLOW DELICIOUS

A golden yellow apple with remarkably good flavor, popular for eating during the fall and winter months. Trees bear young and abundantly. Splendid keepers.

107 STAYMAN WINESAP

An extraordinary market apple. Keeps year around in storage. Bright red skin and firm, juicy, fine white flesh. Excellent for eating, cooking, canning, shipping.

108 RED WINESAP

One of the old-timers. A red apple with excellent flavor and one of the best apples to put up for home use or to put on the market. Strong grower, comes into bearing early; very long keeper, considered the best cold storage variety.

109 RED ROME BEAUTY

Large winter apple of good quality, has a solid deep red color, thick skinned, stands handling well, and a good keeper. Bears young.

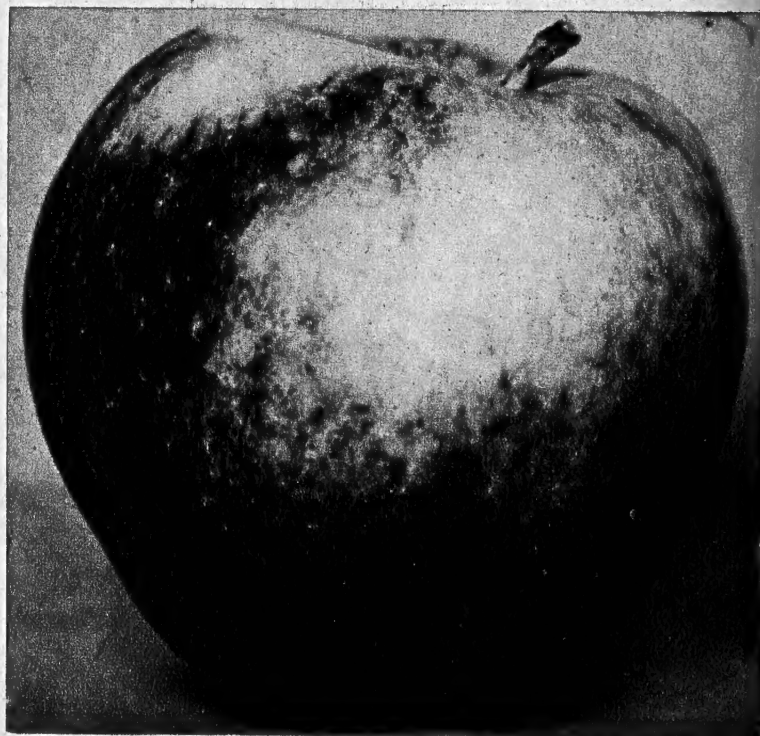

CRAB APPLE

110 RED SILVER CRAB

Noted for its beautiful bright red foliage. In the Spring glistening red flowers from pink buds adorn these small-growing trees, followed with delicious fruit of the most brilliant flaming red color. Rich in pectin, they make the finest jelly with least sugar. Also makes delicious cider. A real treat when spiced whole, with stems retained. Trees are strong free from any disease, hardy in all climates.

Prices on All Apple Trees Except the Patented New Almeda:

FOREST TREE SEEDLINGS FOR REFORESTATION

We are growing large quantities of forest seedlings for reforestation purposes and are making attractive prices on one and two-year seedlings, where they are used for above mentioned purposes. Write for special quotations, giving quantities wanted.

GUARANTEE

We are very careful to keep each variety true to name as labeled and are ready at any time to replace, upon proper proof, any that may prove otherwise, free of charge, or refund the amount paid, but it is mutually agreed between the purchaser and ourselves that we shall at no time be liable for an amount larger than the original purchase price.

PEACH TREES

"the quickest of all fruit
trees to bear fruit . . ."

• Here is a nice young orchard ready to help feed the Americans and the starving Europeans. Have you planted your orchard yet?

We have gathered together information from some of the leading growers all over the country, and find that the following New Peaches are the most outstanding introductions for the past few years. Trees have been ordered and budded on our own seedlings, and we offer to you a limited supply of these trees. So place your order early to insure getting some of these outstanding new trees.

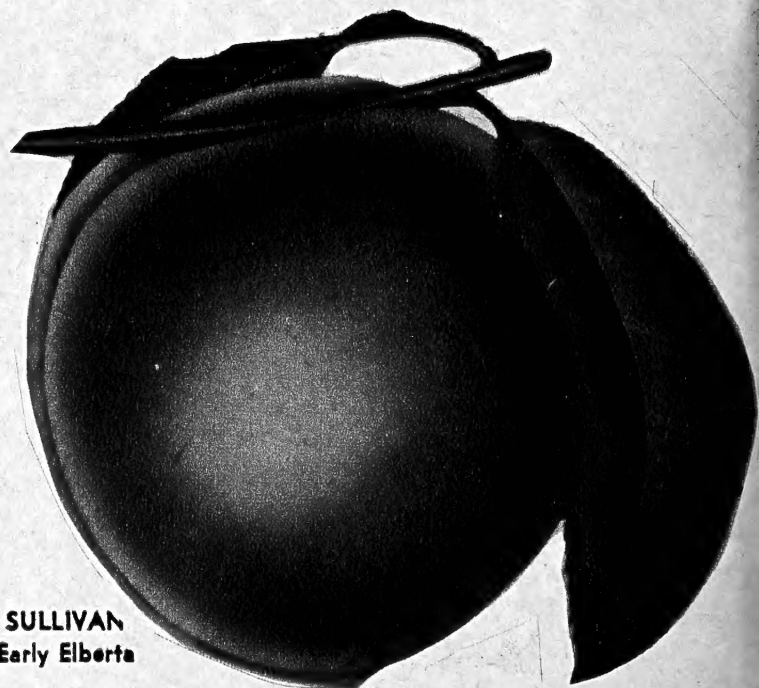

201 THE SULLIVAN EARLY ELBERTA

Here is another outstanding peach that we have added during the past year so that our customers can stay ahead with the newer better varieties. It is a sport from the Early Elberta but is larger and considered a better keeper by orchardists that have tried them. A nice yellow freestone, firm, juicy and of high quality.

202 THE NEW RED HAVEN

The famous new Michigan Fruit Belt Peach. The first one-half bushel sold at opening market at Benton Harbor brought the unbelievable price of \$30.00.

Called by some famous growers as "The World's Rarest Peach," Red Haven has been tested by several large peach growers. It ripens early, colors bright red before ripening. Trees bear young and fruit is freestone and self-pollenizing. Flesh is fine, golden, sweet, juicy. Red Haven matures about a month before Elberta. Send your order now before we are sold out.

SULLIVAN
Early Elberta

203 POLLY

The great Peach that was originated by the Iowa Experiment Station. The finest of all white peaches ever offered, according to Iowa growers. Best for home use and local markets. It is a great peach for the South, East and West. Tested for many years under temperatures as low as 20 below zero, it is hardy, delicious, freestone and productive bearer. Our supply is limited—order now.

Grow *Boyd's* Commercial Varieties of **PEACHES**

The Peach is the youngest bearing of all fruit trees. An investment now in Peach Trees will sure bring quick returns and nice profit. Peach Trees usually bear the second year after transplanting. Plant some of these Freestone or clingstone Peaches now.

204 ELBERTA (Freestone)

Fruit large, yellow with red cheek. Flesh yellow, firm, juicy and of high quality. Does equally well in North or South of the U. S. A. Ripens about August 15th. Elberta still is the most popular peach in America.

205 HALE HAVEN (Freestone)

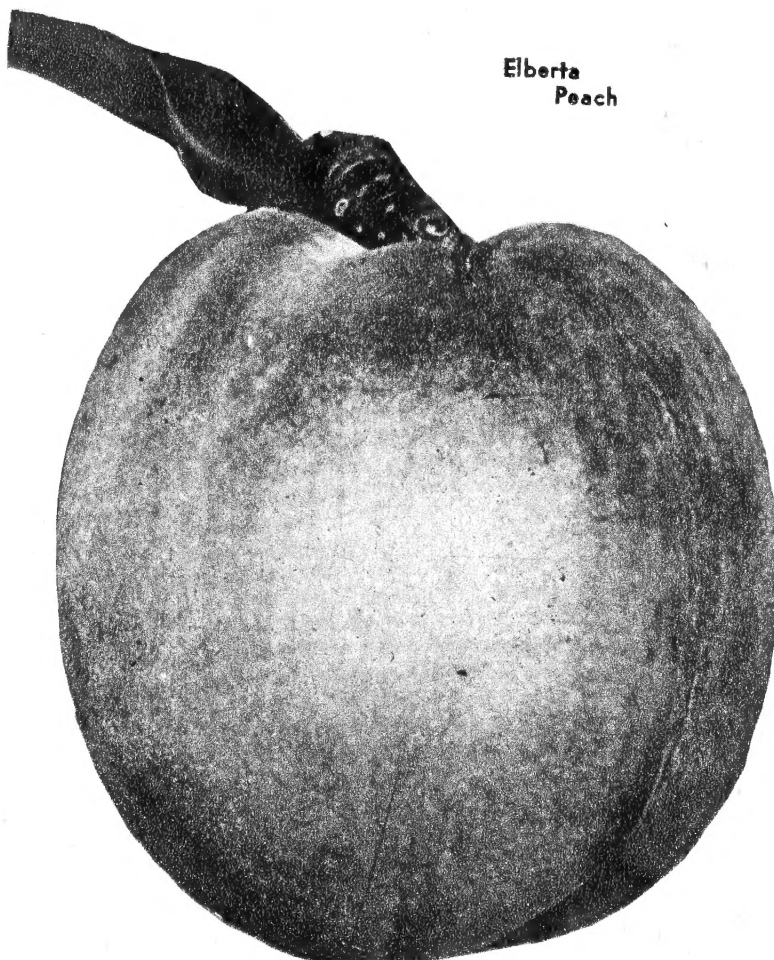

Second only to Elberta in popularity! It is one of the finest shipping and canning peaches ever grown. Hale Haven is a great big handful of luscious, Rich, Beauty, with a juicy flavor you will never forget. Ripens about 15 days ahead of Elberta, at a time when the market needs and pays for good peaches. It is a freestone and self-pollenizing.

206 SOUTH HAVEN (Freestone)

Famed from coast to coast for big yield annually. The great hardy peach for cold regions. Also produces as good as any other peach in warm climate. The fruit is deep yellow with an attractive crimson cheek. Recommended very highly. Ripens two weeks ahead of Elberta.

207 J. H. HALE (Freestone)

Extremely large fruit, extra fine quality and superior flavor. A beautiful golden yellow, highly colored with crimson blush. As J. H. Hale is semi-fertile, plant with South Haven for perfect pollenization. Ripens about same time as Elberta.

GROW *Boyd's* PEACHES

—for the MARKET
—for the HOME

The reason we can offer these trees at such low prices is because we grow them here in our nursery. The peach is one of the surest crops in this section and our trees will bear fruit after being planted two years.

Golden Jubilee

EARLY PEACHES

208 CRAWFORD'S EARLY (Freestone)

One of the best of all early peaches. Clear yellow fruit, with blush.

209 EARLY ROSE (Freestone)

A real good early peach for home use. Large red fruit that has a rich flavor.

210 MAYFLOWER (Freestone)

The strongest growers of all early peaches. Fruit very large, red flesh, white skin. It is very rich and juicy.

MID-SUMMER PEACHES

211 BELLE OF GEORGIA

Skin White, with red cheek. Flesh white, firm and of excellent flavor. Trees rapid growers and very productive.

212 GOLDEN JUBILEE

One of the biggest-paying, heaviest-yielding of all peaches. It colors to bright orange, deeply blushed carmine-red. Flavor a real treat. Ripens early. Hardy wherever peaches are grown.

CLINGSTONE PEACHES

213 GIANT HEATH CLING

Large, creamy white with faint blush; fine quality and good keeper. One of the sweetest, juiciest and most luscious of all the peaches, the housewife's favorite for canning and preserving. Tree very hardy, productive and early bearer. Ripens a month later than Elberta.

214 INDIAN CLING

Known as the best of all pickling peaches. Large, with deep red veins. Flesh deep red.

215 RED BIRD

A very early peach. Fruit large and of high color; hardy grower and good bearer.

Choice PEARS

250 BARTLETT

Bears early, very juicy and highly flavored. Strong grower, bears abundantly.

251 GARBER

An upright grower with heavy dark green foliage. Fruit large, juicy, melting, rich and fine. Does well nearly everywhere. September and October.

252 KIEFFER

One of the most popular pear trees grown. Large golden yellow, often blushing in the sun; one of the best for preserving and canning. It is liable to over-bear; therefore, special pains should be taken to thin fruit.

253 PINEAPPLE

Has a distinct pleasing odor, resembling that of the pineapple. This pear is a very attractive yellow with conspicuous brown specks; is very beautiful and has been a popular seller. Ripens in August.

CHERRIES

Every home should have a few cherry trees. They require very little attention. Spraying is not necessary. They make a handsome shade tree. They can be grown in any waste space or corner. There are several varieties that bear luscious fruit. Their fragrant blossoms are the first sign of spring.

SWEET CHERRIES

260 BLACK TARTARIAN

A favorite sweet cherry, well adapted to almost any soil and climate. Lives to an old age, fruit medium size, brownish black, flesh purplish red, juicy, rich and for home use is one of the best.

261 GOVERNOR WOOD

Few cherries are equal to it in quality or productiveness. Fruit medium size, soft, and of fine flavor, pale yellow with blush.

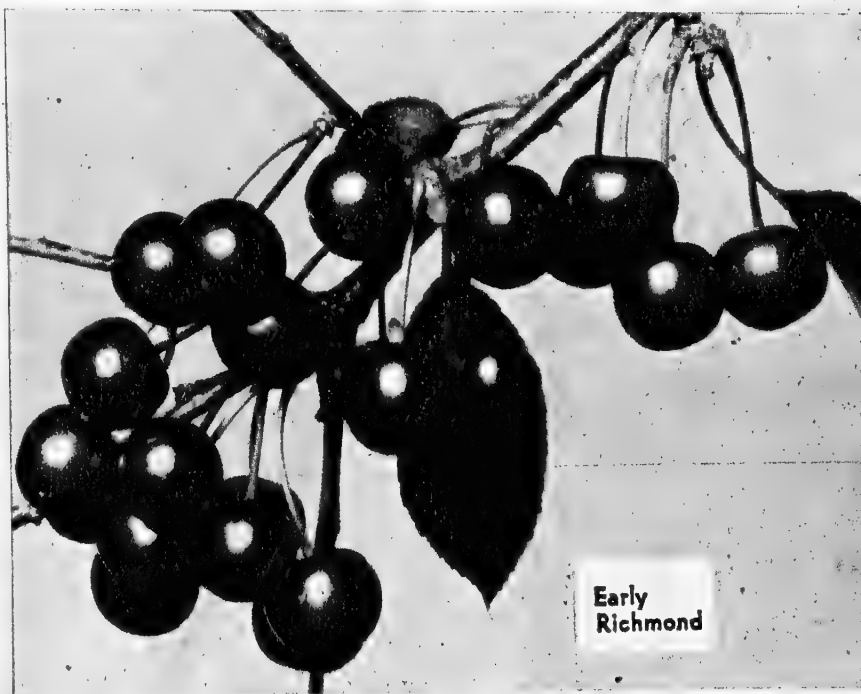

262 NAPOLEON

Very large, pale yellow with bright red cheeks, very firm, juicy and sweet, vigorous grower and very productive. One of the best.

SOUR CHERRIES

263 EARLY RICHMOND

A favorite sour cherry. It is the good dependable variety that yields such marvelous crops in the garden and lawn. The fruit is dark red, tender, juicy and of excellent quality.

Early
Richmond

264 MONTMORENCY

A large, light red cherry of the Richmond class. It is larger and more solid, about ten days late.

Early Golden
Apricot

PLUMS

No matter how small your planting space you can find room for a few plum trees. They will pay a big dividend in fruit that is ideal for canning and are extra fine to eat from the hand. Plums thrive on almost any land, bear a heavy crop of fruit that seldom fails.

Our Fruit Stock has the advantage of both cold and warm climate, very often the temperature drops to zero and will rise twenty degrees the same week. Therefore, by actual growing condition you have a fruit tree that is fitted for all weather, when you buy it from us.

350 ABUNDANCE

Tree a strong grower and an early and profuse bearer. One of the best known plums.

351 BURBANK

Fruit large and vigorous, productive, bears young. Excellent quality; cherry red.

352 KELSEY JAPAN

Color greenish yellow, flushed with red, very large.

353 WICKSON

One of the Burbank's creations, fruit largest of the Japans. Handsome deep, maroon red, firm, long keeper and fine shipper.

354 SHROPSHIRE DAMSON

Late, medium size, dark purple. Flesh golden yellow. The popular old-fashioned Damson variety, excellent for preserving.

355 GERMAN PRUNE

A mid-season plum that is large, dark blue and delicious. Widely planted and is especially good for dessert.

461 RED RHUBARB

	Each	Per 10
	\$1.25	\$10.00

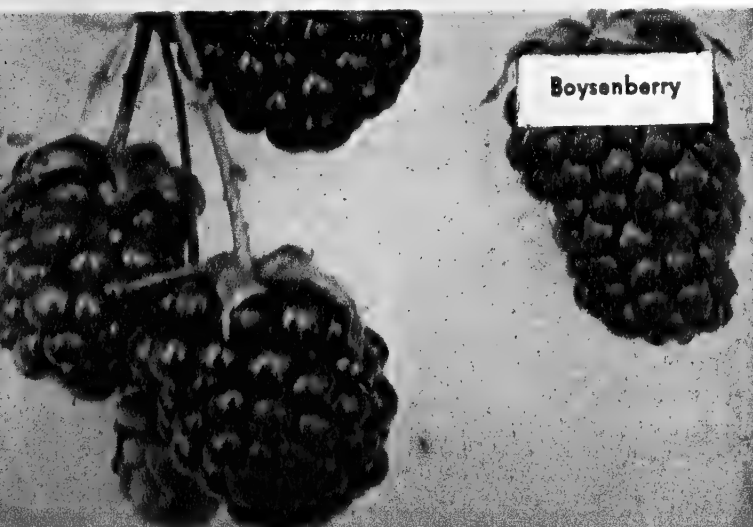

Berry Plants for Tasty, Delicious Fruit

Latham Raspberry

Youngberry

Boysenberry

Blackberries

DEWBERRIES

480 LUCRETIA DEWBERRIES

The first to ripen. Ten days earlier than Blackberries. Berries are extra large, lustrous black, sweet and juicy. Unexcelled for canning.

Prices on Dewberries:

Each	Per 10	Per 25
\$.15	\$1.25	\$2.50

RASPBERRIES

485 CUMBERLAND BLACKCAP

The largest and most productive black Raspberry. Ripens medium-early and continues throughout the raspberry season. Very hardy and the most profitable market sort.

486 LATHAM RED

Largest red Raspberry; a thrifty grower that will withstand zero temperatures. Tremendously productive, and the large, attractive red berries are of the best quality.

487 ST. REGIS RED

Bright crimson berry of large size, firm and meaty. Fruit commences to ripen with the earliest and continues bearing on young canes until October. Very prolific and a good shipper.

Prices on Raspberries:

	Each	Per 10	Per 25
Red.....	\$.20	\$1.75	\$3.00
Black.....	.15	1.25	2.50

YOUNGBERRY

495 YOUNGBERRY

This is a new berry and is much different from any berry grown in most parts of the country. It is a cross between the Loganberry and Dewberry. Color of fruit is a rich wine. Size 1 to 1½ inches. Flavor is pleasant, sweet with the tartness of the Blackberry.

Prices on Youngberry:

Each	Per 10	Per 25
\$.25	\$2.00	\$4.00

BOYSENBERRY

496 GIANT BOYSENBERRY

Berries extra large, attractive and of fine flavor. Taking the buyers wherever offered. The tremendous yields the Boysenberry makes surely will cut down production cost, and if sold only at ordinary berry prices a good profit can be realized. The Boysenberry with us is perfectly hardy and we are of the opinion it can be grown successfully as far north as Vermont if given winter protection.

Prices on Boysenberry:

Each	Per 10	Per 25
\$.30	\$2.50	\$5.00

BLACKBERRIES

500 EARLY HARVEST

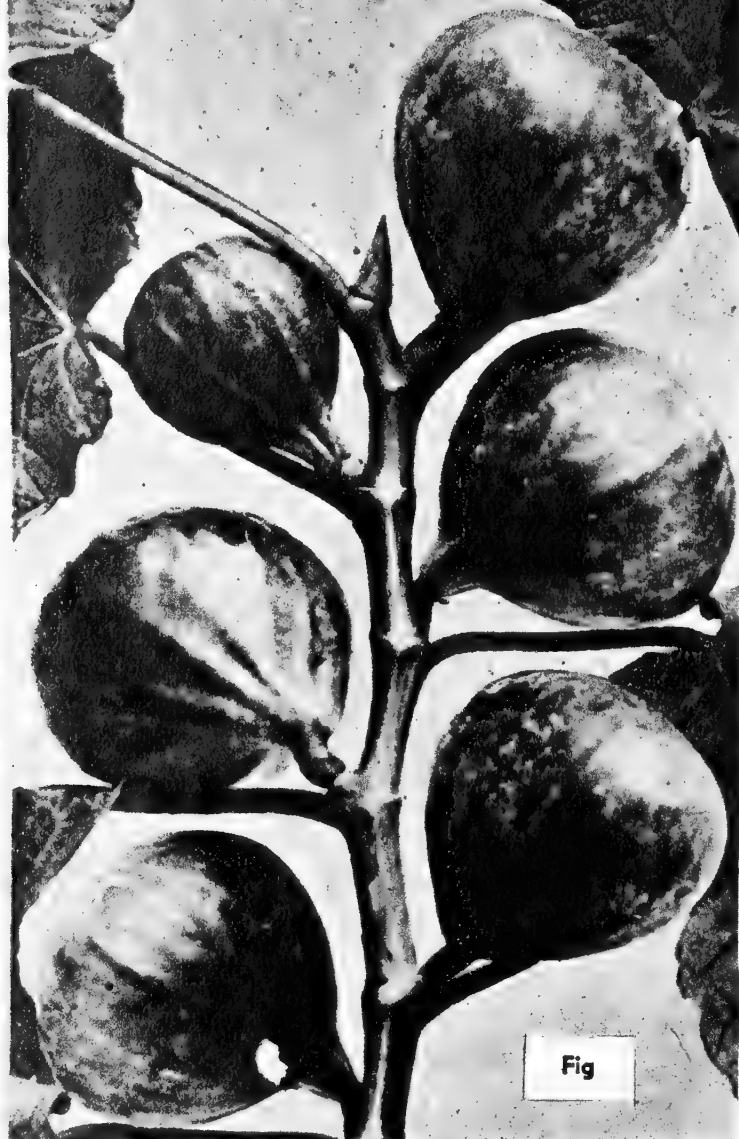

One of the earliest varieties; berry medium size. A good market sort.

501 ELDORADO

Berries are very large, black, borne in clusters—bears huge crops everywhere.

Prices on Blackberries:

Each	Per 10	Per 25
\$.15	\$1.25	\$2.50

Boyd's CHOICE Fruits

FIGS

525 FIGS

Figs thrive in all portions of the cotton belt of the South as in no other section, but often are found as far north as New York and Michigan. They are interesting curiosities. Figs come into bearing early, can be planted around trash piles in back yards—chicken runs and near buildings in a most satisfactory manner.

They are valuable in any garden. Why not pick figs from your own trees; they are full of rich, tasty flavor, good for fresh fruit, as well as canning and cooking.

	Each	Per 10	Per 100

18-24 in.....	.60	5.00	40.00
2- 3 ft.....	.75	6.50	55.00

PAW PAW

545 PAW PAW

A small handsome tree with large purple flowers which are very beautiful and fragrant. The foliage is dark green and makes a handsome tree for park or lawn. Produces large yellow fruit which has the flavor and shape of the banana and is very delicious. Trees very hardy and productive. Can be grown in all sections of the United States. Should be planted in every lawn and garden.

Prices on Paw Paw:	Each	Per 3	Per 10
2-3 ft.....	\$.75	\$1.80	\$5.00
3-4 ft.....	1.00	2.75	7.50

QUINCE

There is no finer fruit for syrup, jellies, preserving and canning. Trees begin to bear at two and three years. They are easy to grow, bear heavily and regularly.

530 CHAMPION

Orange-yellow, large oval fruit. Tree vigorous and very productive.

531 ORANGE

Fruit large, round, with a short neck; color bright yellow; flesh tender, juicy and of excellent flavor.

Prices on Quince:	Each	Per 10
18-24 in.....	\$1.00	\$8.50

PERSIMMON

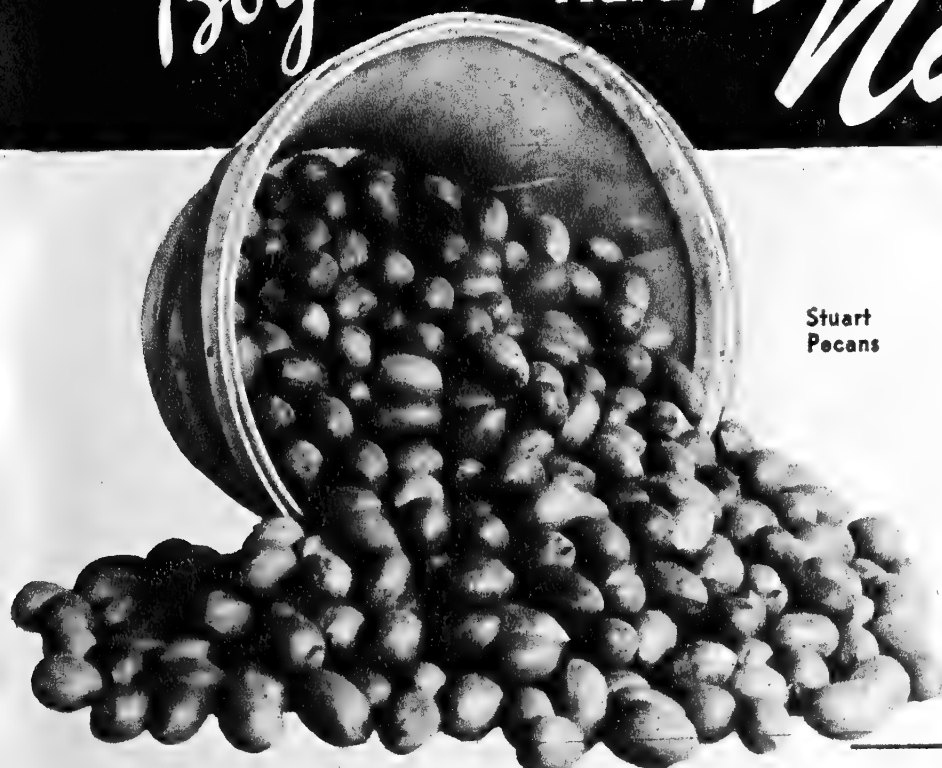

540 AMERICAN PERSIMMON

A native of the Southern States but will ripen in the North. The Persimmon is one of the food bearing trees that we do not appreciate. There is nothing more luscious than a well-ripened persimmon that is satisfying to both man and beast.

Prices on American Persimmon:	Each	Per 3	Per 10
3-4 ft.....	\$.75	\$1.80	\$5.00
4-5 ft.....	1.00	2.75	7.50

Boyd's Hardy Nut Trees

Stuart
Pecans

Plant them for shade and decoration—get a yearly crop of valuable nuts besides. Need no special care, will last for generations.

The planting of nut trees, especially the Black Walnut, is being recognized by wise farmers. Many farmers have waste land that could be planted in Walnut trees, and would in a short time become valuable. Walnut trees are great soil builders. We grow large quantities of tree seedlings for reforestation and are in position to quote some very attractive prices on the Walnuts in large quantities.

SOFT-SHELL PECANS

Grafted Trees

Plant Pecan trees for profit and for shade. They will pay big dividends in five or six years after planting if properly handled, and will increase in value as they grow older. We offer the best varieties, bearing nuts of large size, good flavor and thin shell.

550 STUART

Extremely hardy. Nuts good size, plump and well-filled.

551 SUCCESS

Resembles the Stuart, only larger. Nuts excellent flavor.

552 SCHLEY

Nuts of highest quality and very thin shell.

BLACK WALNUTS

565 HARDY BLACK WALNUT

One of the best shade trees, valuable for timber as well as nuts. Grows rapidly.

Price:	Each	Per 10	Per 100
2-3 ft.-----	\$.50	\$4.00	\$30.00
3-4 ft.-----	.75	6.00	50.00

566 BUTTERNUT

White Walnut, valuable for shade and ornament, as well as for its nut yield. Produces a large nut with a sweet, oily, nutritious kernel.

Price:	Each	Per 10	Per 100
2-3 ft.-----	\$.75	\$6.00	\$50.00
3-4 ft.-----	1.00	7.50	60.00

570 HARDY HICKORY NUTS

Very valuable for market nuts and also the lumber is very valuable for spokes, fence posts, and handles of all kinds for farming tools.

Price:	Each	Per 10	Per 100
2-3 ft.-----	\$.75	\$6.00	\$50.00
3-4 ft.-----	1.00	8.50	75.00

2- 3 ft.-----	1.75	15.00	125.00

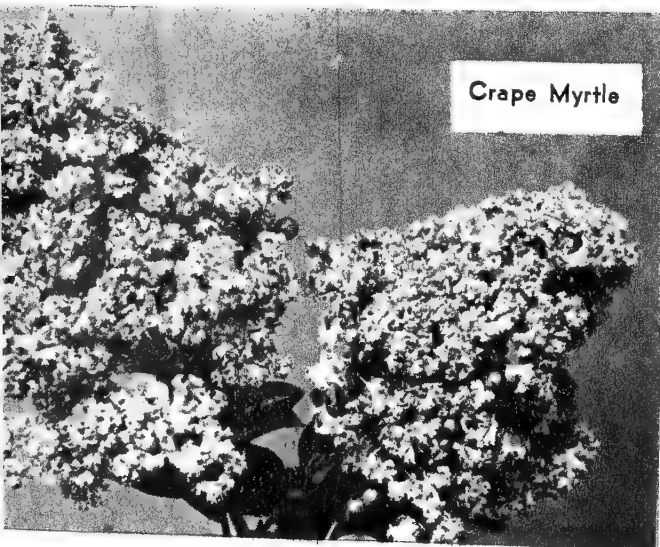

Black Walnuts

571 HAZELNUT, AMERICAN FILBERT

Nuts borne in large fringed fruit husks. Kernels sweet and edible. A very hardy shrub-like tree with handsome foliage.

Price:	Each	Per 10
2-3 ft.-----	\$.60	\$5.00

Boyd's Flowering Shrubs

Grape Myrtle

Flowering shrubs form the greater part of attractive plantings and with careful placing and selecting of varieties, with reference to location, ultimate growth, flowering season and foliage, form and color, will become the most treasured beauties of your possessions. The great variety in blossoms and the wonderful assortment of colorful foliage keep up a never-failing interest from early spring until after frost.

Pink Flowering Almond

600 ALMOND (Pink Flowering, Double)

Vigorous, symmetrical, upright shrubs literally weighted down in May with double, roselike blossoms. Excellent for specimen planting or in shrubbery borders. Attain 6 to 8 feet high.

	Each	Per 3	Per 10
18-24 in.-----	\$.50	\$1.35	\$4.00
2- 3 ft.-----	.75	2.00	6.00

604 Yellow Bark (Yellow Twigged Dogwood)

Golden yellow branches which afford striking contrast to the other varieties.

	Each	Per 3	Per 10
18-24 in.-----	\$.40	\$1.10	\$3.00
2- 3 ft.-----	.60	1.65	5.00

606 CRAPE MYRTLE (Lagerstroemia)

The most popular and most characteristic of Southern shrubs. Of upright open habit, with small, dark green foliage and large clumps of beautiful lacelike flowers throughout the summer. We offer crimson, pink.

	Each	Per 3	Per 10
18-24 in.-----	\$.50	\$1.35	\$4.00
2- 3 ft.-----	.75	2.00	6.00

608 CYDONIA japonica (Japanese Quince)

Small shrub, 3 to 6 feet high, with thorny branches completely covered in spring with vivid red flowers, followed by small quince-like fruits which are quite fragrant. Good hedge plant and may be sheared if desired.

	Each	Per 3	Per 10
12-18 in.-----	\$.50	\$1.35	\$4.00
18-24 in.-----	.75	2.00	6.00

610 DEUTZIA (Pink)

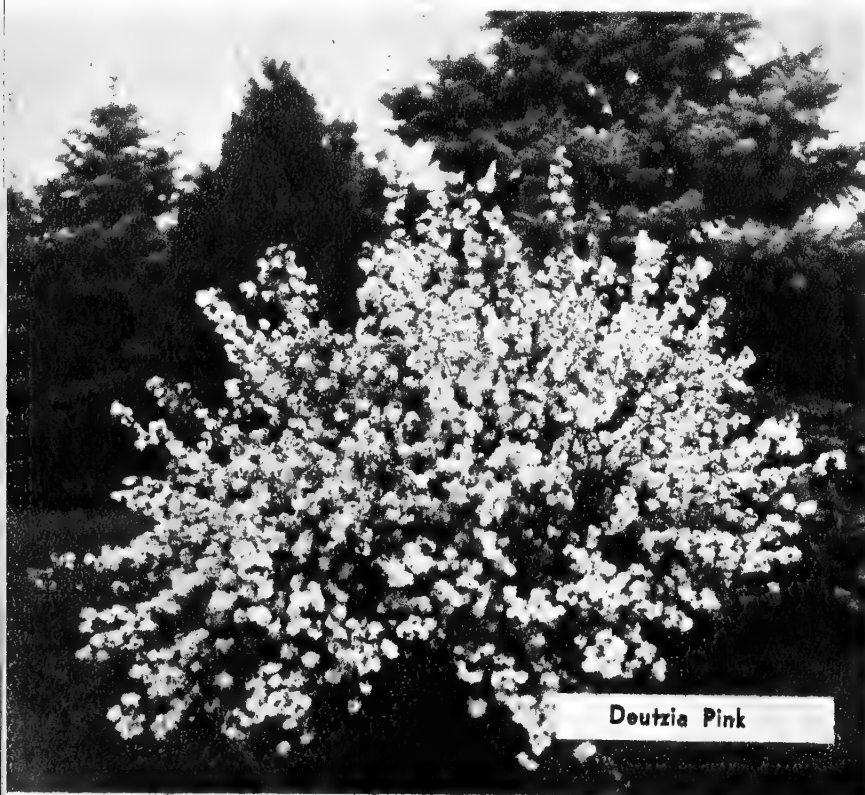

One of the finest of the flowering shrubs and remarkable for the abundance of beautiful blooms which cluster thickly along the branches in early spring. Of easy cultivation and valuable in shrub plantings. Very good also in borders or as specimens.

	Each	Per 3	Per 10
18-24 in.-----	\$.35	\$.90	\$2.50
2- 3 ft.-----	.40	1.10	3.00

612 ELDER (Sambucus canadensis)

(American Elder.) A tall showy shrub. Large flat clusters of white fragrant flowers, followed by luscious black fruits—the source of Mother's "Elderberry pie."

	Each	Per 3	Per 10
18-24 in.-----	\$.35	\$.90	\$2.50
2- 3 ft.-----	.40	1.10	3.00

Deutzia Pink

Forsythia, Golden Bell

614 FORSYTHIA (Golden Bell)

Somehow the Forsythias tell us Spring is here more than any other of the blooming shrubs, for the delicate yellow flowers definitely belong to that season and no other. They are beautiful when planted against a background of evergreens, or when used in a group.

	Each	Per 3	Per 10
18-24 in.-----	\$.40	\$1.10	\$3.00
2- 3 ft.-----	.60	1.65	5.00

616 Viburnum plicatum (Japanese Snowball)

6 to 8 feet. One of our most satisfactory shrubs. Pure white, double flowers in May; dark leaves.

	Each	Per 3	Per 10
12-18 in.-----	\$.60	\$1.65	\$5.00
18-24 in.-----	.75	2.00	6.00

Witch Hazel

618 VITEX (Chaste Tree)

8 to 10 feet. Pale lilac-blue flower, in spikes 5 to 10 inches long, from July to frost. Best hardy, late summer-flowering shrub.

	Each	Per 3	Per 10
18-24 in.-----	\$.40	\$1.00	\$3.00
2- 3 ft.-----	.60	1.65	5.00

646 WEIGELA rosea

Best known and most popular variety. Deep pink blossoms, which are borne in wonderful profusion and make a great show in June.

	Each	Per 3	Per 10
18-24 in.-----	\$.40	\$1.00	\$3.00
2- 3 ft.-----	.60	1.65	5.00

622 PUSSY WILLOW

An interesting shrub or dwarf tree. Early in spring, before the leaves appear, the brown twigs are decorated with fuzzy gray catkins, which are fine for making delightful "springy" bouquets.

	Each	Per 3	Per 10
18-24 in.-----	\$.40	\$1.00	\$3.00
2- 3 ft.-----	.60	1.65	5.00

624 PHILADELPHUS (Mock Orange)

This old-fashioned shrub with creamy white flowers borne in clusters is found in many plantings.

	Each	Per 3	Per 10
18-24 in.-----	\$.40	\$1.10	\$3.00
2- 3 ft.-----	.60	1.65	5.00

626 HAMAMELIS virginiana (Witch Hazel)

Ribbon-like yellow flowers in late Autumn. Good for natural planting and shady places.

	Each	Per 3	Per 10
18-24 in.-----	\$.40	\$1.10	\$3.00
2- 3 ft.-----	.60	1.65	5.00

628 BUTTERFLY BUSH—PINK CHARMING

A new type with long flower panicles of a charming pink color in continuous bloom all Summer. The long sprays are unsurpassed as cut flowers. Attractive compact bush has deep, dark green foliage.

	Each	Per 3	Per 10
18-24 in.-----	\$.50	\$1.40	\$4.00
2- 3 ft.-----	.75	2.25	6.00

Van Houttei

Loniceria

634 LILACS, Common Purple

This old and time-tried shrub is still among the popular ones and its fragrance fills the air in spring from many a planting.

	Each	Per 3	Per 10
18-24 in.-----	\$.60	\$1.65	\$5.00
2- 3 ft.-----	.75	2.00	6.00

636 LILAC PERSIAN

Strong, vigorous grower, small narrow leaves and fragrant flowers of deep reddish. Blooms young; large flowers.

	Each	Per 3	Per 10
18-24 in.-----	\$.60	\$1.65	\$5.00
2- 3 ft.-----	.75	2.00	6.00

638 LONICERIA (Bush Honeysuckle)

A large shrub with numerous spreading branches. Flowers light crimson, followed by red or orange fruits.

	Each	Per 3	Per 10
18-24 in.-----	\$.40	\$1.10	\$3.00
2- 3 ft.-----	.60	1.65	5.00

640 VIBURNUM OPULUS STERILE (Common Snowball)

The old-fashioned snowball with its large, globular clusters of snow-white flowers in May and June, makes a very attractive shrub and is usually in bloom for Decoration Day.

	Each	Per 3	Per 10
12-18 in.-----	\$.80	\$1.65	\$5.00
18-24 in.-----	.75	2.00	6.00

Yellow Kerria

Boyd's OUTSTANDING Shrubs

642 YELLOW KERRIA (Yellow Roses)

Its mass of yellow blossoms with dark green leaves makes this a very outstanding shrub. A handsome and distinct shrub. Leaves ovate, with a long slender point, bright green and lustrous. Flowers pure yellow, an inch or more across. Coming a little later than most of the early Spring flowers makes it especially valuable.

Prices:	Each	per 3	Per 10
18-24 in.-----	\$.75	\$2.00	\$5.00
2- 3 ft.-----	1.00	2.75	7.50

644 WEIGELIA EVA RATHKE

The best of the red varieties; with flowers a bright clear crimson, borne in great profusion; growth more sprawling than the others; not so strong nor so tall.

	Each	Per 3	Per 10
12-18 in.-----	\$.50	\$1.40	\$4.00
18-24 in.-----	.75	2.00	6.00

646 WEIGELIA ROSEA

A free flowering shrub, usually about six feet tall, with numerous spreading branches. Leaves dark green. Flowers rose-colored, large and showy, produced in great profusion.

	Each	Per 3	Per 10
18-24 in.-----	\$.40	\$1.00	\$3.00
2- 3 ft.-----	.50	1.40	4.00

648 SPIREA Thunbergi (Snow-Wreath Spirea)

(Thunberg's Spirea). Dwarf in habit, with rounded, graceful form. Branches slender and drooping. Flowers pure white; foliage narrow and long, turning to orange-scarlet in the Fall.

	Each	Per 3	Per 10
12-18 in.-----	\$.40	\$1.10	\$3.00
18-24 in.-----	.60	1.65	5.00

FRENCH LILACS

650 MICHAEL BUCKNER

Large clusters of double florets, buds deep pinkish lilac opening to a blue-lavender.

652 CHARLES X

One of the older varieties and one of the best. In great demand because of its profuse blooming qualities. Violet-red in color and unsurpassed for cut flowers.

654 WILLIAM ROBINSON

One of the best of all the Lilacs and it is the best of the Dark Purple Lilacs. This is also used for cut flowers.

656 HUGO KUSTER

Reddish-Purple in color. Very large flowers, ideal for cut flowers as they are borne in large clusters

	Each	Per 3	Per 10
12-18 in.-----	\$.50	\$1.35	\$4.00
18-24 in.-----	.75	2.00	6.00

French Lilac

Boyd's

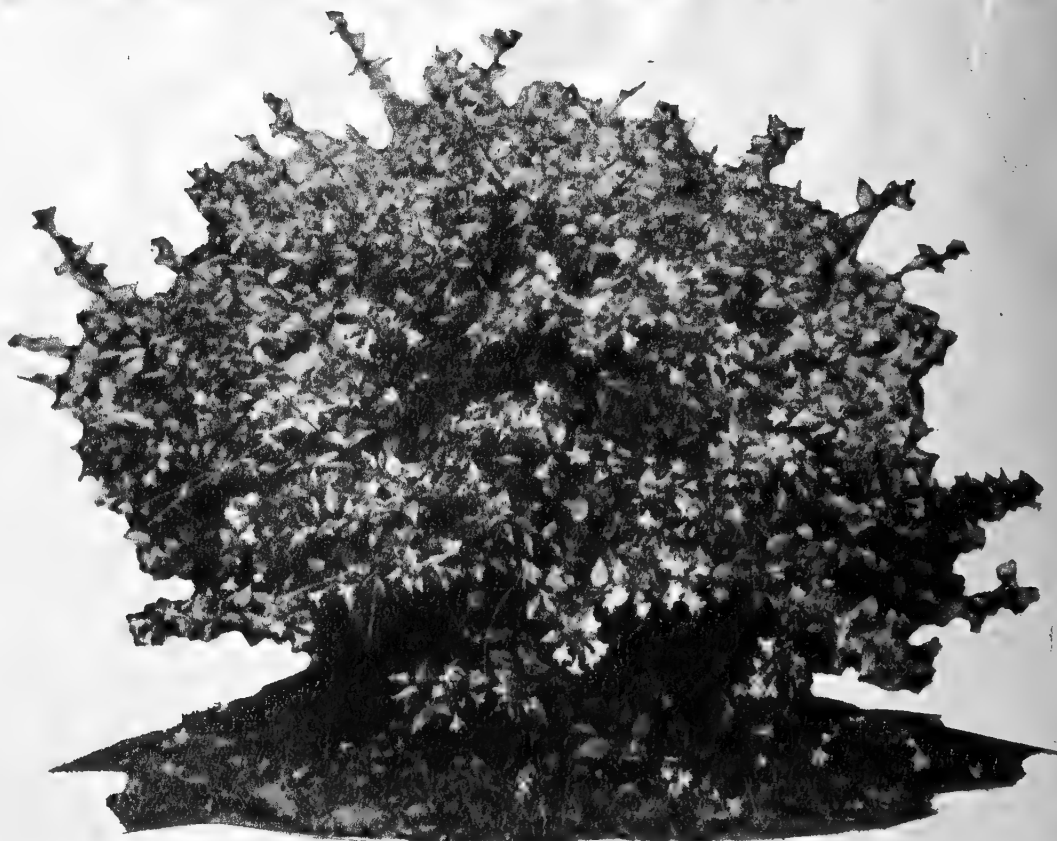

FLOWERING Shrubs

658 ABELIA GRANDIFLORA (Glossy Arbutus)

An all-round wonderful shrub and evergreen that fits into practically all plantings. The graceful arching stems are clothed with dark glossy leaves, which are evergreen in the South. Flowers white, small bell-shape, tinged with pink, borne in profuse clusters from early Summer until checked by frost.

	Each	Per 10
18-24 in.-----	\$.75	\$ 6.00
2- 3 ft.-----	1.00	7.50
8- 4 ft.-----	1.25	10.00

Abelia Grandiflora

660 HIGH BUSH CRANBERRY

A tall shrub with upright, spreading branches. Leaves broadly ovate, 3-lobed, bright green, turning to shades of maroon and bronze in Autumn. Clusters of white flowers, followed by scarlet berries, which persist all Winter and are enjoyed by birds.

	Each	Per 10
12-18 in.-----	\$.75	\$ 6.00
18-24 in.-----	1.00	7.50

662 CALYCANTHUS

Sweet Shrub. An old-fashioned shrub that blooms intermittently all summer, and the odd, chocolate-colored flowers are spicily fragrant.

	Each	Per 10
18-24 in.-----	\$.60	\$ 5.00
2- 3 ft.-----	.75	6.00

664 WHITE SNOWBERRY

The greatest attraction of this plant is its large white wax-like berries that hang on the drooping branches until mid-winter.

	Each	Per 10
18-24 in.-----	\$.60	\$ 5.00
2- 3 ft.-----	.75	6.00

666 SPICE BUSH

Excellent for planting along the edge of water. Bright yellow flowers in early spring before the leaves appear. In the Fall the plant is covered with scarlet berries.

	Each	Per 10
18-24 in.-----	\$.60	\$ 5.00

Red Bud

White Dogwood

804 WHITE FLOWERING DOGWOOD

One of the most popular of all our native trees. Its beauty in the spring with its snowy clouds of white blossoms is unsurpassed, and the red berries and crimson leaves of Fall are one of autumn's chiefest charms.

Prices:	Each	Per 3	Per 10
2-3 ft.-----	\$1.00	\$2.75	\$ 9.00
3-4 ft.-----	1.25	3.50	10.00
4-6 ft.-----	1.75	5.00	15.00
6-8 ft.-----	2.50	7.00	22.50

806 RED BUD

Also known as Judas Tree. One of the finest ornamental trees. Medium size, with heart-shaped, leathery dark green foliage. A profusion of rose-pink flowers cover the branches early in spring before the leaves appear.

Prices:	Each	Per 3	Per 10
3-4 ft.-----	\$.80	\$1.65	\$ 5.00
4-5 ft.-----	1.00	2.75	7.50
5-6 ft.-----	1.25	3.50	10.00

808 DOUBLE FLOWERING PLUM

This is an early blooming, small tree with double pink flowers in small clusters in May or June.

Prices:	Each	Per 3	Per 10
18-24 in.-----	\$1.00	\$2.75	\$ 7.50
2- 3 ft.-----	1.25	3.50	10.00

810 PURPLE LEAF PLUM

A dwarf tree with dark purple leaves that keep their lustrous coloring throughout the Summer and Fall. The flowers are pinkish white appearing in May. This is one of the most outstanding trees that grows, because of its beautiful foliage.

Prices:	Each	Per 3	Per 10
2-3 ft.-----	\$1.00	\$2.75	\$ 7.50
3-4 ft.-----	1.25	3.50	10.00

Flowering Peach Trees

These small shrub-like trees are a gorgeous sight when in bloom. In early spring, before any foliage appears, there is a great profusion of double flowers, like rambler roses on every twig and branch beautiful and decorative, suited to most soils and situations. For finest results, may be pruned each year after they have finished blooming. This keeps them in bush form and gives an even greater abundance of flowers.

812 NEW PEPPERMINT STICK

The most beautiful of all Flowering Peaches. Moderately double. Flowers white marked with red stripes.

Prices:	Each	Per 3	Per 10
18-24 in.-----	\$.75	\$2.00	\$ 5.00
2- 3 ft.-----	1.00	2.50	7.50

814 RED FLOWERING PEACH

Bright double red flowers. Very showy.

816 WHITE FLOWERING PEACH

Free flowering pure white. Fastest grower of all flowering Peaches.

Prices:	Each	Per 3	Per 10
18-24 in.-----	\$.40	\$1.00	\$ 3.00
2- 3 ft.-----	.60	1.50	4.50
3- 4 ft.-----	.75	2.00	6.00

818 CRABS, Flowering (Malus) Tree Form

The flowering Crabs—with their rounded, compact small trees, are among the most lovely of early spring flowering trees, largely used in lawn groups, and high shrub borders for their profuse early bloom; their dense, glossy, handsome foliage which colors richly; and their ornamental fruits, in late Summer and Autumn. We can supply the following varieties: Hopa Red Flowering, Red Silver Crab, Native Wild Sweet Crab—Rose color flowers.

Prices:	Each	Per 3	Per 10
2-3 ft.-----	\$1.00	\$2.00	\$ 6.00
3-4 ft.-----	1.25	2.50	7.50
4-5 ft.-----	1.50	3.75	10.00

820 WHITE FRINGE TREE

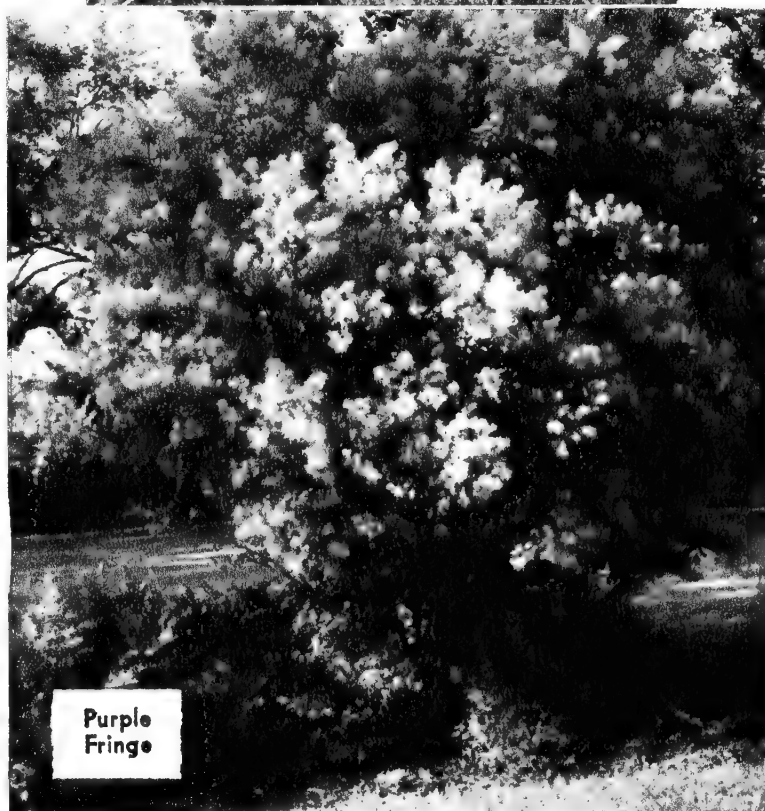

A favorite native small tree, producing white fringe-like flowers in May. The flowers are very feathery and graceful and completely cover the branches, giving the tree a striking appearance.

Prices:	Each	Per 3	Per 10
18-24 in.-----	\$1.00	\$2.75	\$ 8.00
2- 3 ft.-----	1.25	3.50	10.00

822 PURPLE FRINGE TREE

Smoke Tree. Much admired for its great mass of misty, purplish flowers that cover the entire bush in June, giving the appearance of a cloud of smoke. Brilliant fall foliage.

Prices:	Each	Per 3	Per 10
18-24 in.-----	\$1.00	\$2.75	\$ 8.00
2- 3 ft.-----	1.25	3.50	10.00
4-6 ft. Specimen-----	5.00	12.00	

823 UMBRELLA TREE

An unusual ornamental spreading tree with an umbrella shape.

Prices:	Each	Per 3	Per 10
12-18 in.-----	\$.50	\$1.35	\$ 3.50
18-24 in.-----	.75	2.00	5.00

Boyd's

Flowering Trees

824 DWARF RED FLOWERING BUCKEYE

Flowering Horse Chestnut. Leaves are dark green turning to yellow in late Autumn. Blossoms are a purplish red, very ornamental and attractive.

Prices:	Each	Per 3	Per 10
12-15 in.-----	\$.50	\$1.50	\$ 4.50
15-18 in.-----	.75	2.00	5.00

826 KENTUCKY COFFEE TREE

A very ornamental tree of upright and rapid growth with rough bark and coarse branches; foliage bluish-green; flowers white, followed by long pods which hang on the tree all Winter.

Prices:	Each	Per 3	Per 10
2-3 ft.-----	\$1.00	\$2.50	\$ 7.50
3-4 ft.-----	1.25	3.00	9.00

828 MIMOSA

Silktree. Fern-like foliage with fragrant pink blossoms in Summer. The foliage forms a densely rounded head, almost umbrella-like.

Prices:	Each	Per 3	Per 10
2-3 ft.-----	\$1.25	\$3.50	\$10.00
4-5 ft.-----	2.00	5.00	15.00
8-10 ft. Specimen-----	5.00	12.00	25.00

830 SOURWOOD

A very handsome, bushy tree, rarely taller than 20 feet. Even when very small, bears masses of small white flowers. The foliage is its best feature, the abundant green leaves of Summer turning to scarlet in the Fall.

Prices:	Each	Per 3	Per 10
18-24 in.-----	\$.75	\$2.00	\$ 6.00
2- 3 ft.-----	1.00	2.75	8.00

832 EUROPEAN MOUNTAIN ASH

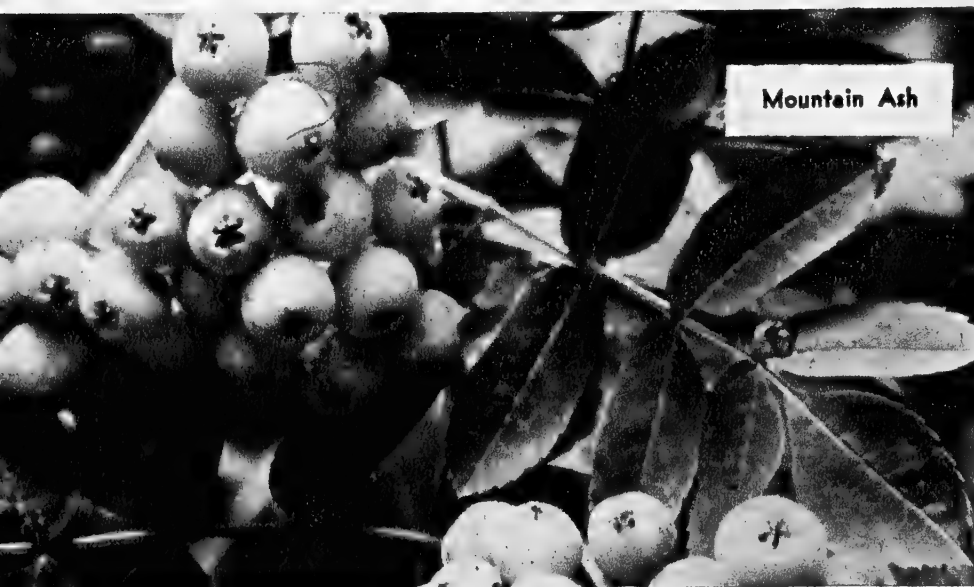

Handsome small tree with fern-like leaves and large flat corymbs of creamy white flower. Watch these trees throughout the Summer as the berries are changing from green to orange then to conspicuous scarlet.

Prices:	Each	Per 3	Per 10
3-4 ft.-----	\$2.50	\$3.75	\$20.00
4-5 ft.-----	3.00	8.00	25.00

834 AMERICAN LINDEN (Tilia Americana)

A large tree of regular outline, erect and rather formal, with a dome shaped head. The leaves are dark green and light underneath, turning to yellow in the Fall.

Prices:	Each	Per 3	Per 10
3-4 ft.-----	\$1.00	\$2.75	\$ 8.00
4-5 ft.-----	1.50	3.75	10.00
5-6 ft.-----	2.00	5.00	15.00

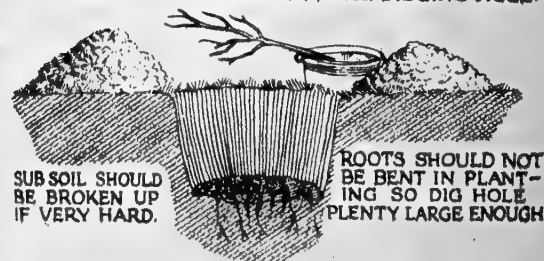

Mountain Ash

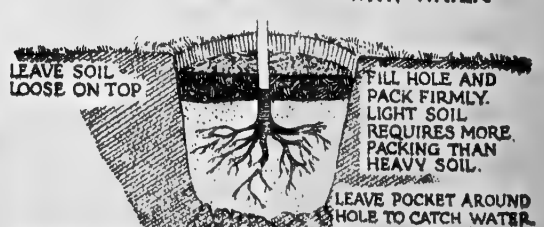

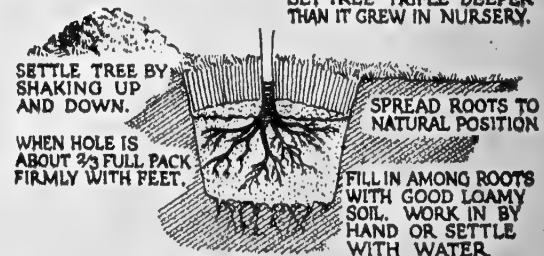

Mimosa Silktree

How to Plant a Tree

SET TREE IN TUB OF WATER WHILE DIGGING HOLE.

SET TREE TRIFLE DEEPER THAN IT GREW IN NURSERY.

IMPORTANT: WE DO NOT ENCOURAGE THE USE OF MANURE. IF WELL DECAYED AND MIXED WITH SOIL IT SHOULD BE USED ONLY ON THE TOP

Boyd's Coniferous Evergreens

Due to the labor shortage, paper and other materials that go into shipping of Evergreens we find it almost impossible to sell to the trade balled and burlapped Evergreens this year, also lumber for building the crates and burlap are practically off the market at this time. However, to those that may need large Evergreens for their landscaping we shall be pleased to quote by special quotations. We hope to be able to list these plants in next year, providing the supplies are available.

We do have some junior size Evergreens, which are two-year-old field grown, which we can dig bare root and pack in moss and ship via express. These plants should be worked around the first year in order that they develop into specimen plants. If they are cared for properly they will quickly become specimen plants and will double and triple in value.

900 AMERICAN ARBOR VITAE

Bright green individually and as screen.

The leaves are shiny, dark green, with rosy white buds and flowers in clusters from May until July. Does well in acid soil.

Prices:	Each	Per 10
12-15 in., B&B.....	\$2.50	\$20.00
15-18 in., B&B.....	3.00	25.00

SHADE TREE COLLECTION

Here is a very desirable collection of ornamental shade trees, which are nicely grown, well branched. We are making you a special price as an introductory offer. Eight trees @ \$4.75, packed and ready for shipment. F.O.B., McMinnville, Tennessee:

TULIP POPLAR (Poplar)—A rapid growing tree with large leaves and tulip-like flowers that appear in late May or early June. 5-6 ft., branched.

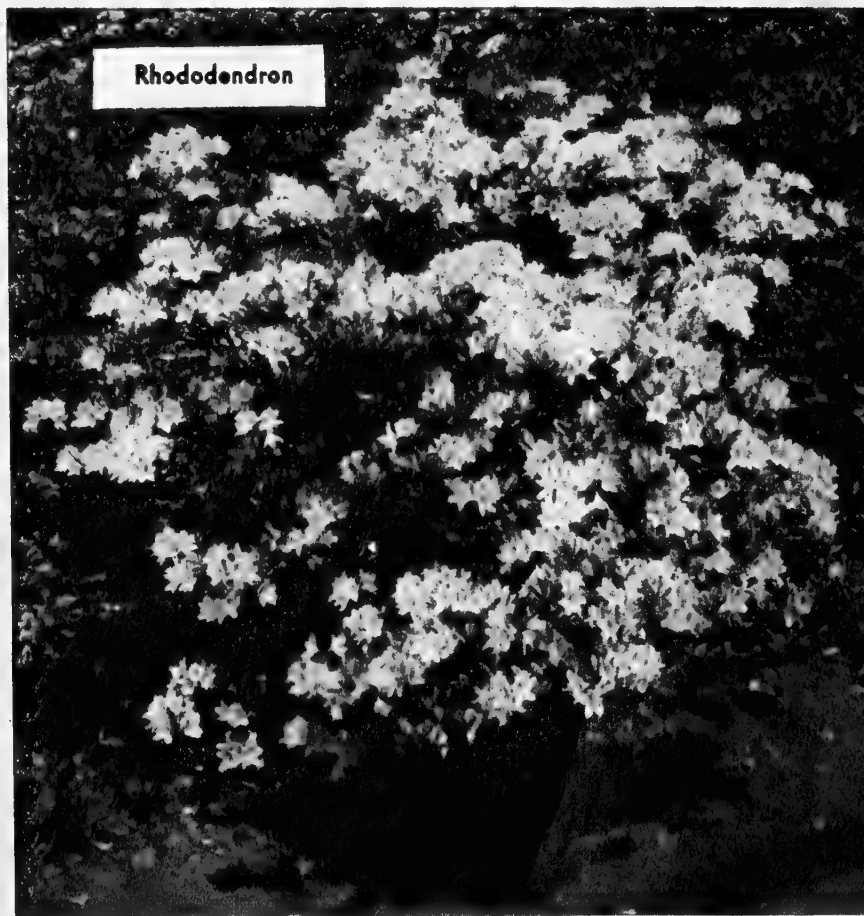

SILVER LEAF MAPLE—One of the best known of all Maples. A hardy fast growing ornamental shade tree; spreading branches, finely cut leaves "silver lined." 5-6 ft., branched.

SWEET GUM—A shapely tree with slender corky-ridged branches, forming a pyramidal head. The deeply lobed leaves are bright green and lustrous at maturity in autumn fading with bright tones of crimson, unsurpassed in brilliancy by other trees. 5-6 ft.

SYCAMORE—A large and lofty tree, with massive branches forming a wide head. A rapid growing and very beautiful tree with picturesque white or gray bark. Hardy and of great adaptability but thriving best in moist loam. 5-6 ft., branched.

RIVER BIRCH—The famous Birch with torn or ragged bark that is often seen along the banks of streams. A graceful moisture-loving tree that should be in all lawn plantings. 5-6 ft., branched.

Good Shade Tree can make your property a landmark in the community and add greatly to its value! Here is a collection of trees for a most pleasing effect. A tree for every purpose. The above collection of 8 trees for \$4.75.

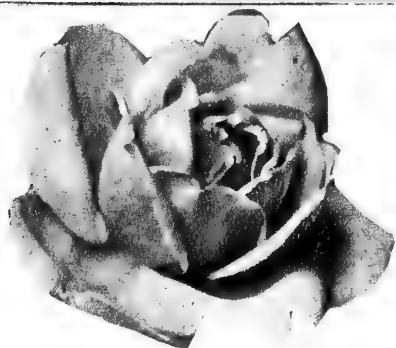

Boyd's Roses

Gold Flame Moneysuckle

English Ivy

HONEYSUCKLES

1050 GOLD FLAME HONEYSUCKLE

Everblooming, flowers from June to October. Blooms 60 days after planting. Provides generous masses of deep scarlet trumpets lined with gold, in fragrant clusters.

2 year plants, 75 cents each; \$6.50 per 10.

1051 SCARLET TRUMPET HONEYSUCKLE

Brilliant orange-red trumpet shaped flowers, very showy; blooms from June to September.

2 year plants, 50 cents each; \$4.00 per 10.

1052 HALL'S HONEYSUCKLE

A strong, vigorous vine, with pure white flowers, changing to yellow; foliage remains green until well into the Winter. Very fragrant and covered with flowers almost the entire season.

2 year plants, 20 cents each; \$1.50 per 10.

1053 ENGLISH IVY

Evergreen Ivy; has large, deep green, glossy foliage. Good covering for stone, concrete or brick structures. Grows in dense shade. Can be sheared into edging for walks, or covering for graves.

2 year plants, 40 cents each; \$3.50 per 10.

1054 BITTERSWEET

Handsome glossy foliage and large clusters of beautiful orange-crimson berries, which hang on all Winter. A favorite Winter decoration.

2 year plants, 50 cents each; \$4.00 per 10.

1055 TRUMPET VINE

A hardy climbing plant with large, trumpet-shaped, scarlet flowers appearing in August.

2 year plants, 40 cents each; \$3.00 per 10.

1056 WISTERIA BLUE

Fragrant racemes of pea-shaped flowers, pale blue.

1057 WISTERIA WHITE

White flowers. Wonderful pergola vine.

2 year plants, 50 cents each; \$4.00 per 10.

1058 VINCA MINOR

Common Periwinkle. A hardy, old-fashioned evergreen plant, well adapted for ground covering and rockeries. Leaves dark green and glossy. Flowers blue.

2 year plants, 30 cents each; \$2.50 per 10.

1059 MATRIMONY VINE

Throws out very long branches with a decided tendency to droop, therefore especially valuable for covering slopes or embankments.

2 year plants, 50 cents each; \$4.00 per 10.

King of the Redheads

CANNAS

Cannas are the tallest of all bedding plants, will give a show of colorful bloom all summer. The foliage is attractive in rich shades of green or bronze; flower trusses large and brilliantly colored.

1104 RED KING HUMBERT

Gold Medal Winner as the finest orange-scarlet Canna. Deep bronze foliage.

1105 YELLOW KING HUMBERT

Spectacular rich golden yellow, spotted with red. Green foliage.

1106 STATUE OF LIBERTY

Giant of all Cannas—towers as high as 6 feet. Huge flame-red blooms; dark coppery bronze foliage.

1107 MME. CROZY

All around the edge of the brilliant scarlet petals is a narrow band of sunny yellow—makes a striking contrast. Dwarf growing. Rich green foliage.

1108 HUNGARIA

Soft pink flowers, exceptionally vigorous in growth. Green foliage, does not burn in sun.

1109 PRESIDENT

One of the best red Cannas. Flowers are glowing scarlet, of immense size. Disease-free, green foliage.

Spirea Van Houttei-

The most popular flowering shrub in the world; it has done more to beautify the homes of America than any other variety. It grows almost in any place, either in full sunshine or partial shade. It makes a most beautiful hedge.
